 **1,007 cat intakes!**
Including 350 transfers from other groups!

 **602 surgical procedures!**
By veterinarian partners!

 **10+ rescue partners!**
Added to increase lifesaving!

 **4,800+ emails sent!**
For adoptions, fundraising, community help, and more!

 **6,408+ volunteer hours!**
By 247 active volunteers!

An Incredible Year Of Impact

Homeward Bound Cat Adoptions has faced and overcome many challenges since transitioning from a foster-based organization to an adoption center in 2019. In this short time, with hard work and perseverance, we have developed a professional culture committed to best practices that better serve the cats and people in our community. The work we do makes a difference in the lives of humans and cats alike. Take a look at our 2023 accomplishments!

Winter Highlights

- Completed a successful Gene Haas Foundation Adoption Week
- Over 1,000 families received our first holiday appeal
- Created and sent our first holiday card
- 13 year-old Homeward Bound volunteer, Claire Ackerman, received the prestigious Nevada Volunteer of the Year Award!

Spring Highlights

- Hosted a fun-filled Kitten Shower
- Honored to be nominated for Best Of Las Vegas Non-Profit Animal Shelter of 2023
- Participated in PetSmart Charities' National Adoption Week

Summer Highlights

- Partnered with Best Friends Animal Society for the 5th National Adoption Weekend
- Conducted the inaugural Poorly Drawn Pets contest resulting in incredible works of art and funds raised

Fall Highlights

- Increased adoption promotions
- Created a program honoring Veterans by offering discounted adoption fees for those who have served
- Partnered with BISSELL Pet Foundation for Empty the Shelters, a national event

Donations and grants allow us to grow and continue the special services we provide to the cats of our communities—helping the cats and people who love them, and at the same time enabling other groups to maximize their efficiencies. Every single cat is spayed or neutered and receives age-appropriate vaccinations, a microchip, and any special medical attention.
